

a: Distribution of different LacdiNAc across the top 10 GO:BP-enriched terms.
b: Distribution of different LacdiNAc across the top 10 GO:MF-enriched terms.
c: Distribution of different LacdiNAc across the top 10 GO:CC-enriched terms.
d: Distribution of different fucosylated types across the top 10 GO:BP-enriched terms.
e: Distribution of different fucosylated types across the top 10 GO:MF-enriched terms.
f: Distribution of different fucosylated types across the top 10 GO:CC-enriched terms.
g: Distribution of different sialylated types across the top 10 GO:BP-enriched terms.
h: Distribution of different sialylated types across the top 10 GO:MF-enriched terms.
i: Distribution of different sialylated types across the top 10 GO:CC-enriched terms.
